

## Swedish Tour

### The Winners Take it All!

Scotland won 252-233 in some very hard fought games. In Sweden the ice rinks just seem to have one ladies Club but all ladies (can be a few but also can be as many as over 100) play in that club and they very often play in the same team. The new trophy was designed in Sweden especially for this competition.

We played 11 games in 7 different rinks and were always made very welcome. Before every game at each ice rink we paraded onto the ice carrying the flags of the 2 nations. That was very special. Pia Hasselberg and Anta Hedstrom were our couriers who also sometimes played.

We did meet others who had been to Scotland in 2018 and some of the newer players were so enthralled they're hoping to come to Scotland in 2028! There was also lots of fun and banter and dancing to ABBA!! We did some sightseeing as we went along, including the ABBA Museum!

Our charity was Myname'5 Doddie Foundation and we had specially made pasminas made in his tartan. So far we have raised over £7000. If anyone would like to make a donation on behalf of the Sweden Tour Team go to
